

Syclone Replacement Program

Solmetex will replace your Syclone amalgam separator with the NXT Hg5 standard or NXT Hg5 mini Amalgam Separator for FREE. Plus we will reimburse you for the cost of installation* or send you a free NXT Hg5 Collection Container — the choice is yours.

The NXT Hg5 Amalgam Separator Replacement Package includes:

- NXT Hg5 standard or mini Amalgam Separator
- Practice Waste Solutions Amalgam Bucket
- Two Year Warranty
- Certificates of Compliance 24/7
- One six-gallon bucket to recycle the Syclone Air/Water Separator
- Syclone Canister Recycle Kit

www.solmetex.com | 800-216-5505

*Up to \$175 will be reimbursed for installation.
Copy of installation invoice required.

Syclone Replacement Reimbursement Request Form

Please select one of the following options:

- ☐ **OFFER #1:** Please reimburse me up to \$175 for the installation cost of the NXT Hg5 Amalgam Separator. I am attaching a copy of my installation invoice along with this completed form.
- ☐ **OFFER #2:** Please send me an extra NXT Hg5 Collection Container for free.

For either option, please indicate the serial number of your new NXT Hg5 Amalgam Separator (Example "NXTHG5-K-12345"): **NXTHG5-**_____ - _____
