### **SolmeteX, LLC acquisition**

Northborough, MA – August 15, 2013 – SolmeteX, LLC is pleased to announce the acquisition of SolmeteX by Gemini Investors, Riveria Investment Group and its management team. SolmeteX, LLC formally a division of Layne Christensen, will continue to bring products to the dental industry that are technologically advanced, easily implemented and economical.

“I believe SolmeteX’s potential is significant,” said Nick Mozzicato, SolmeteX’s CEO. “We’re approaching a critical phase in the growth of our company, and Gemini and Riveria are the right partners to help us execute on our strategy.”

Based in Wellesley, Massachusetts, Gemini Investors is a private equity firm focused on providing capital to established, growing businesses in the middle market. Since the firm was founded in 1993, Gemini has invested approximately \$500 million in more than 100 companies across a broad range of industries.

“We are excited about the opportunity to partner with management,” said Jimmy Rich, Managing Director at Gemini Investors. “SolmeteX has proven to be a leader in the industry and we look forward to working with management to help them build upon the Company’s strong foundation.”

Founded in 2011, Riveria is a private investment group with offices in Washington D.C and New York. Riveria primarily focuses on growing companies with a history of positive operating cash-flows and seeks transactions that present unique investment opportunities in industries experiencing significant growth. Riveria’s private equity efforts emphasize growth and value-added strategies to generate strong returns. The investment in SolmeteX represents Riveria’s sixth investment since inception.

“We have been impressed by SolmeteX’s best-in-class product offering and continued support that it provides to its customer base,” said Tj Gupta, Managing Partner at Riveria Investment Group. “We believe the Company is well positioned for growth and are excited to work with the management team to help build upon the Company’s market leading position.”

#### **About SolmeteX LLC**

SolmeteX provides waste management services through a series of specialized processes and systems that cost-effectively remove mercury from the waste stream and offers additional dental waste solutions. The company’s Hg5® Series of Amalgam Separators and recycling program, which treat dental wastewater is highly regarded as the best solution for regulatory compliance. SolmeteX is widely recognized as the single trusted source for comprehensive environmental solutions for the dental waste needs.
