## Bio-Hazard Disposal

### Part Numbers:

- BH-5 5 gallon Bio-Hazard container
- BH-20 20 gallon Bio-Hazard container

Variable size containers offered to collect biohazard needles, broken glass, paper towels, gloves, articles of clothing, bandages and gauze. Mailback kit includes prepaid return shipping container with disposal and proper documentation.

Solmetex has developed comprehensive waste services to provide a single source for easy, reliable, economical and environmentally compliant disposal of dental waste.

As with all industries, dental waste disposal is subject to federal, state and local regulatory controls. The ADA, EPA, CDC and OSHA have published recommendations and requirements for the safe handling of amalgam, lead, photo-chemical waste and bio-hazardous wastes.

Solmetex hazardous waste services can be tailored for multiple waste streams within the dental practice.
