

PRESS RELEASE

May 24, 2016

DentaleZ™ and Solmetex™ Renew Partnership

Solmetex (Northborough, MA) and DentaleZ (Malvern, PA) are proud to announce their renewed partnership in distributing the Hg5® line of products.

The RAMVAC® brand of vacuums and compressors are manufactured by DentaleZ, while Solmetex is the premier manufacturer of the Hg5 line of amalgam separators. Both RAMVAC and Solmetex are well known for high quality products as well as impeccable customer support. With EPA regulations pending this coming December 2016, this tried and true partnership will ensure both companies can provide outstanding service and support to the dental market.

DentaleZ Integrated Solutions is committed to providing real solutions to the everyday challenges in oral healthcare by uniquely combining innovation focused on simplification and efficiency in value based products and outstanding customer service and support. DentaleZ manufactures a full line of products and well known brands including StarDental®, DentaleZ Equipment, RAMVAC, NevinLabs™ and Columbia Dentoform.

Solmetex has been the leader in the dental industry in amalgam separators for over 15 years, with a focus on keeping dentists compliant with the ever changing regulatory environment. The Hg5 series of products have become the market leader by offering a clear-by-design system, simple recycling and compliance, as well as excellent customer support.

Reuniting these acknowledged great products once again provides the dental industry with long term consistency, reliability and sustainability.
