

SOLMETEX ANNOUNCES ADDITION OF DIRECTOR OF INTERNATIONAL BUSINESS DEVELOPMENT AND SALES

NORTHBOROUGH, MA – April 14, 2021 – Solmetex, LLC. announced today that Richard Andrew Campos has joined the organization as its Director of International Business Development and Sales.

Richard is a Business Development, Sales and Marketing Executive with over 25 years' experience in the domestic and international dental markets. Richard is high-energy and a results-oriented leader with an entrepreneurial mindset of achieving measurable results in critical markets for Solmetex. Richard will take Solmetex to the world stage and execute strategic global distribution initiatives in an ever-changing global business environment.

"We are very excited to have someone with Richards' background and experience join the Solmetex Team. As we continue to grow our global footprint, Richard will be instrumental in leading our development plan in these opportunity markets." – Kevin Danahy, President

For over 25 years, Solmetex has been an innovator in waste solutions, specifically amalgam separators, with a primary focus on ensuring dental practices remain compliant with the ever-changing regulatory environment.

"I am honored and excited to join Solmetex: an organization that dreams big, works hard, and stays focused on achieving success by surrounding themselves with great people, great products, and forward-thinking initiatives to make our customers successful in protecting the environment." – Richard Campos

About Solmetex, LLC

Solmetex provides waste management services through a series of specialized processes and systems that cost-effectively remove mercury from the waste stream and offers additional dental waste solutions. The company's NXT Hg5® Series of Amalgam Separators and recycling program, which treat dental wastewater, is highly regarded as the best solution for regulatory compliance. Solmetex is widely recognized as the single trusted source for comprehensive environmental solutions for dental waste needs.
