Practice Waste Solutions Amalgam Bucket Recycling & Shipping Instructions

Usage of your PWS Amalgam Bucket:

The PWS Amalgam Bucket should be used for the storage and recycling of 'dry' amalgam waste, such as:

- Contact & non-contact amalgam
- Spent amalgam capsules
- Teeth with amalgam
- Chairside traps
- Vacuum pump filters

> **IMPORTANT!** Remove any liquid from vacuum pump filters before placing them into the amalgam bucket. **NO LIQUID MERCURY OR ANY OTHER METALS. WASTE AMALGAM ONLY** should be placed in this bucket.

Complete Amalgam Waste Recycling Form:

- Fill out Part 1 of the "Profile Form for Recycling of Waste Amalgam"
- Sign and date bottom of the form
- Place completed form into the return shipping box
- Use supplied twist tie to close plastic liner bag and place into 5 gallon amalgam bucket
- Place amalgam bucket into shipping box

Shipping Procedure:

- Please locate "Shipping Code" (see below) prior to packing container.
- Visit **www.solmetex.com** and click on "Compliance Center" in the menu bar.
- Log into the Compliance Center with your email address and password. If this is your first time logging into the portal, you will need to create a login using your Solmetex Acct # (located on your packing slip) and your zip code. Note: If you product was shipped directly from your dealer, you may not have a Solmetex packing slip. In this event, Please contact Solmetex Customer Service for further assistance.
- Within the portal, locate "Shipping Label" in the upper right hand corner of the portal window.
- Under the product drop-down list, choose "Amalgam Bucket"
- Enter your Shipping Code located ont he lid of the amalgam bucket, select "submit".
- Website will generate a UPS label.
- Print the label, place into the packing slip envelope, remove backing from envelope and place on box for UPS pick up or call 1-800-742-5877 to schedule pick up.

NOTE: One UPS label per Solmetex shipping box.
