

⑥ Solution

Waste Management

! The Problem

Improper disposal of potentially dangerous waste, including hazardous materials, sharps, and biomedical waste can pose a risk to staff and the environment.

The Solmetex Solution

- Solmetex Practice Waste Solutions Amalgam Bucket for:
 - Contact & Non-Contact Amalgam
 - Amalgam Capsules
 - Chairside Traps
 - Teeth with Amalgam
 - Central Vacuum Traps and Filters
- Fill it, Ship it, Recycle it. It's that simple, Solmetex's Practice Waste Solutions line of products are the affordable and easiest solution for all your dental waste.

Why it Matters

Proper segregation, storage, and disposal of hazardous materials can help keep your staff safe, as well as make sure your office is compliant with regulations.
